Handmade and handcrafted items, bespoke and personalised crafts

All items handcrafted with care by our Shedder's. Finished to a high standard, checked for quality, durability and purpose. Most items can be personalised & designed to order. If there is something you would like made that is not below just give us a call or e-mail.

All items made from timber are from sustainable sources, or reclaimed/repurposed. Variations in wood grain, color, knots, texture or dye transfer are all natural occurrences in these hand-stained wood products.

All children's items finished with non-toxic, water-based paints, and natural plant-based oil.
